DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 3-10, and 12-19 (to be renumbered 1-17) are allowed.
2. The following is an examiner's statement of reasons for allowance:

Regarding claims 1, 3-10, and 12-19, claims 1, 10, and 19 respectively disclose a recording apparatus, recording method, and a computer-readable recording medium storing a processing program which when executed causes a processing apparatus to execute a recording process wherein the recording apparatus, recording method, and computer-readable medium **register said empty areas present on said recording medium in a first queue before said input data is recorded in said empty areas by said recording means, and, when said input data is recorded in said empty areas registered in said first queue, deleting the empty areas in which said input data has been recorded from said first queue, and registering empty areas from which data has been deleted in a second queue: and move said empty areas registered in said second queue to said first queue when said first queue becomes empty, wherein said recording means records said input data in said empty areas registered in said first queue according to the sequence determined by said determining means** which is neither disclosed or an obvious variation of the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
